## Charity Hockey Game

### Sponsorship Opportunities

We are excited to announce Dalhousie's annual Engineering vs Commerce Charity Hockey Game is happening on March 15, 2025. All funds will be going towards The Canadian Cancer Society's Lodge That Gives. This is a local facility that provides free housing, support, and accommodations for those living with cancer and their families. The game is endorsed by the NHL's Hockey Fights Cancer Initiative, founded to unite the hockey community to help people with cancer and their families.
